*Allowable Subject Matter*

Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination fails to suggest the claimed invention of updating target application with adaptively functions. Specifically, claims 1, 7 and 10 are directed to updating a plurality of different target applications and mapping the extracted selected application data elements to corresponding file location with user selectable of an individual function of particular target application. Therefore, the claimed invention provides more accurate and complete installation of application data elements in their correct order.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
